

Romantic Massage Oil Recipe

Whether you're looking for the perfect Valentine's Day gift or a great addition to a romantic evening or weekend away, this massage oil is just what you are looking for! Say "I love you" with a romantic spa date featuring this all-natural massage oil. All you need to add are two glasses of champagne and you'll be set for romance!

This massage oil recipe uses sweet almond oil as a carrier oil because it is light, easily absorbed and won't stain the sheets. Feel free to substitute sunflower oil, apricot kernel oil or another carrier oil of your choice. We've used a sensuous blend of sweet orange, bergamot and patchouli essential oils. If you would like to use your own essential oil blend, check out our [essential oil blending guide](#) for tips.
